#### ST. FRANCIS MEDICAL CENTER JUNIOR VOLUNTEER PROGRAM

The St. Francis Medical Center Junior Volunteer Program presented Randy Reed, 15, of Hamilton Township, with the Betty McIntyre Junior Achievement Award, presented to the junior volunteer for the most promising first year. He is a sophomore at Hamilton High West, and is the son of Patricia Reed, who works in the Radiology Department at St. Francis. The St. Francis Junior Volunteer Program consists of 70 teen volunteers from age 14 and up who have log over 7,485 hours in volunteer time each year. Their tasks include covering the Information Desk, delivering newspapers and flowers to patients, and performing clerical tasks in various departments including, Dietary, Central Processing, Emergency Room, Operating Room, and Mission and Ministry.
