

ST. FRANCIS MEDICAL CENTER HOSTS ANNUAL HOLIDAY CONCERT

With over 500 people in attendance, St. Francis Medical Center held its annual holiday concert on Monday, December 3, 2007 at Sacred Heart Church in Trenton. The concert featured the Orchestra of St. Peter by the Sea conducted by Reverend Alphonse Stephenson, benefited St. Francis Medical Center and raised over \$13,000.

"The holiday concert is an excellent way to usher in the holiday season," says Jerry Jablonowski, President and CEO, St. Francis Medical Center. "Reverend Stephenson is incredibly entertaining and the concert is just beautiful."

The Orchestra of St. Peter by the Sea is comprised of 45 professional musicians from 177 colleges and universities around the world. Also performing with the orchestra are Three Tenors.

Reverend Stephenson formed his first orchestra in New York's theater district while he served at St. Malachy's, the actor's chapel, and later went on to conduct A Chorus Line. Reverend Stephenson has conducted with many revered orchestras such as the Fresno Philharmonic, Delaware Valley Philharmonic, and the Metro Lyric Opera.

If you interested in attending the concert next year, please contact the Foundation Office at 609-599-5659.
